2021-2022 Bus Registration Form

St. John's Academy is growing and we will no longer be able to offer door to door service and keep our bus routes to a reasonable time. We have selected designated bus stops for you to choose from. There is the possibility the bus may be able to stop along the route between designated stops for your child. Please email Ms. Naomi to inquire about this. It will be dependent on time and if it's a safe place to do so.

The bus rates are based on full time usage but we can offer part time rates if enrollment permits. Full time riders will be given priority and if space is an issue you may be required to pay the full-time rate to reserve a seat for your child.

Our busses run twice a day, mornings and afternoons with a 3rd run on days in which Co-curricular Clubs run. The evening bus is scheduled to leave campus at 5:00pm on these days.

Bus attendance is taken on each trip to ensure the safety of your child. If there is a day in which your child will not require the bus, please text the bus driver to inform them.

If there is a day your child needs to take a different bus or get off at a different stop than they are scheduled for please email Ms. Naomi at naomi.thomas@stjohnsacademy.ca to request a one-time bus schedule change. This should be done at least 24 hours in advance.

Your bus fees will be added to your tuition and invoiced by Ms. Bernice, our Finance Manager. If you have questions about bus payments please email her at bernice.granbois@stjohnsacademy.ca

Please choose from the following bus stops for your child (Pg. 2). If you require multiple stops or part time bussing, please write your child's schedule needs in the comment section below.

Student Name_____ **Grade**_____

Scheduling Requests:

_____

_____

_____

_____
