<p>Minutes and matters arising</p>	<p>Thanks for sending uniform feedback to Naomi.</p> <p>Update with expansion – Dave met architects – need to update and improve septic and water – in the next couple of weeks we are getting some feedback from CVRD and go from there.</p> <p>Consult First Nations for expansion – if any of our community has connections, please contact Dave or Matt</p> <p>People hiking made comments on how respectful our students were behaving on their hike.</p>	<p>We will keep parents posted.</p> <p>*Tanya will reach out to people she knows and ask them to contact Dave.</p> <p>Matt suggests parents to go on Google to make positive reviews.</p>
<p>Uniform</p>	<p>Tanya will be organizing some pop-up uniform shops in Langford, Duncan, Shawnigan</p> <p>Send used uniforms to the school on last week so Tanya and Selina can log and set up a log sheet, so parents can purchase used items.</p> <p>Hopefully in August we will have a used uniform shop up and running.</p> <p>We will keep with Cambridge – quite happy with this company.</p> <p>*Still looking in ordering rain gear – we have a good lead on a company – Travis and Naomi have been working together</p>

	<p>Do we have wet day shoes and non-wet day shoes? And maybe dress shoes just on formal days.</p> <p>With the uniforms – uniforms from the first set – losing colour new uniform much better.</p> <p>Boys have more of an issue of wearing dress shoes parents stated – like to wear running shoes. – suggestion have kids wear Black running shoes. – black marks left on gym</p> <p>When wearing uniform shorts – dress shoes are a little strange and prefer running shoes.</p> <p>Formal day – suggest maybe not on a Friday – usually fun days on Fridays – more activities seem to happen on a Friday.</p> <p>Hats? Swimsuits? – look into hats esp. since kids are out hiking and out on the dock. Naomi had been looking into rash guards as opposed of swimsuits and shorts. *Athletic swimsuit – maybe have a competitive swim team?</p> <p>Recommend the Blundstones</p> <p>Parent looking into labels “Mabel’s labels” parents can purchase to label their children’s uniforms *Think of solutions for labelling uniforms</p> <p>Elora labels – maybe a little better than Mabel Labels https://www.eloralabel.com/</p> <p>Shorts – is there a girl’s shorts? No – just a unisex short style</p> <p>Ms. Burkie will be enforcing the uniform.</p> <p>Any feedback? Give us a shout</p>

<p>Social event</p>	<p>June 17th is the idea.</p> <p>Virtual event – socials event for parents</p> <p>Catherine is happy to help.</p> <p>*Maybe have planner do some kind of fun activity – Icebreaker? Pub style quiz?</p> <p>*Put into groups after activity.</p> <p>Most enticing thing could be seeing the school – student’s work/ presentations.</p> <p>Do kids have the same advisor next year? In general, perhaps but some of classes will split into 2 – so next year may have different advisors.</p> <p>Length of time? 1.5 is max – but parents want longer time with their advisor to be able to connect with the advisor. (Like 45 to 1 hour).</p>	<p>Burkie will be organizing this</p>
<p>Sports Teams for next year?</p>	<p>Travis is meeting with local schools – the plan is that everyone to be back to normal – so will have school teams.</p> <p>He will be working with an athletics association.</p> <p>Field hockey/ swimming/ basketball were suggestions from the parents.</p>
