## FACES

October 26, 2021

Boardroom

6:30-7:30

Agenda item	Discussion	Action by? When?
<p>FACES: Welcome, introductions, purpose and way forward</p>	<p>Introductions made: Tanya, Ashlee, Megan, Melissa, Mary, Anna, Leanne along with Matt and Dave from school</p> <p>Purpose of FACES was agreed at creation to be an informal group within the school that aims to promote and celebrate community both within the school and in the local area.</p> <p>A lengthy discussion was had regarding the best ways to structure the FACES group, particularly in regards to how finances should be accounted for and managed. Despite what might seem like an easy solution to holding onto FACES funds in the SJA business office, Dave expressed strong reservations about this. Bernice has noted that it is difficult on the books to hold onto non-school funds. Therefore, it was recommended that FACES create a separate bank account, but care and consideration would need to be given to who had access to the funds and for accountability. No decision was made and we will revisit the item at future meetings.</p>	
<p>Principal Recruitment Update</p>	<p>Thanks to Heidi Hunton, Lian Faux and Catherine Riggs who led the parent committee</p> <p>Dave provided overview of process, which involved a longlist of approximately 8 candidates and a shortlist of 4 candidates.</p>	<p>Selection Committee to decide after tomorrow's conclusion and announce to community next week</p>
