

# St. John's Academy

*Shawnigan Lake*

## **St. John's Academy Shawnigan Lake Boarding Policy for Single Rooms**

Applications for single rooms will be considered on a needs basis, and priority will be given to returning students and/or students holding significant leadership positions. For single-room applications, we will evaluate what is best for the student and the community. If you would like to apply for a single room, **please get in touch with Kimberly Edgson, Director of Boarding** ([kimberly.edgson@stjohnsacademy.ca](mailto:kimberly.edgson@stjohnsacademy.ca)).

### **Responsibilities of a student in a single room:**

To continue prioritizing a united community, students in single rooms should plan to make extra efforts to stay connected to their dorm mates. If a student suffers from a lack of social connection, they may be required to join a room with roommates. Additionally, students in single rooms must consistently tend to their responsibilities: maintaining strong academics, keeping a clean room, and attending classes and co-curricular commitments.

For further information, please contact Kimberly Edgson. We look forward to welcoming you!
