

St. John's Academy

Shawnigan Lake Campus

2023-2024 Bus Registration Form

We have selected designated bus stops for you to choose from. There is the possibility the bus may be able to stop along the route between designated stops for your child. Please email our **Transportation Coordinator** to inquire about this. It will be dependent on time, ridership and if it's a safe place to do so. Accommodations do not roll-over from previous years so please to write your request below.

The bus rates are based on full time usage but we can offer part time rates if enrollment permits. Full time riders will be given priority and if space is limited you may be required to pay the full-time rate to reserve a seat for your child.

Bus attendance is taken on each trip to ensure the safety of your child. If there is a day in which your child will not require the bus, please text the bus driver to inform them.

If there is a day your child needs to take a different bus or get off at a different stop than they are scheduled for please email Student Services @ ssd@stjohnsacademy.ca to request a one-time bus schedule change. This should be done at least 24 hours in advance.

Your bus fees will be invoiced by our Finance Manager. Bus payments are only made in lump sum. Due by August 1st. If you have questions about your bus payment, please email accounts@stjohnsacademy.ca

Please choose from the following bus stops for your child. If you require multiple stops or part time bussing, please write your child's schedule needs in the comment section below.

Student Name _____

Grade _____
